

Technical Vocational Education and Training Programmes

Training Opportunities

The Namibian College of Open Learning (NAMCOL) is a state-supported educational institution established by an Act of Parliament (Act 1 of 1997) to provide educational and training opportunities for adults and out-of-school youth. Therefore, NAMCOL calls for applications from potential trainees in the following TVET trades:

1. SHORT COURSES

NAMCOL is offering the training opportunities for short courses (up to 10 weeks) to the members of the public in the following TVET trades:

- Plumbing and Pipefitting
- Automechanic
- Welding and Metal Fabrication

The aim of the programme is to empower the trainees with technical know-how and skills in the selected trade. The training in the above listed trades is provided at Windhoek only.

Who May Apply

The target groups for these short courses are members of the public who want to upgrade or acquire technical knowledge and skills in the above-listed trades. These include unqualified artisans and any interested members of the public.

PLEASE NOTE:

Application Forms are available on NAMCOL's website, at NAMCOL Head Office, Regional and Sub-regional Offices. A completed application form should be hand delivered at NAMCOL Head Office or Regional/Sub-regional Offices with a non-refundable fee of N\$50.00 by **19 November 2018**.

2. SKILLS UPGRADE COURSES

NAMCOL also offers skills-upgrade for candidates who need to be prepared for NTA National Assessment.
